# Print and Export Documents and Folders

Easily print and export the information you need
from the Adaptive Telehealth platform.

1 All forms and documents stored in one folder for all patients are available for ease of printing when required.

2 All data collected in or by the system can be printed or exported as a PDF or CSV file for secure import into electronic medical records.

3 This feature includes an automatic log of record disclosures for HIPAA compliance purposes.

Not sure where to begin?

We are always here for you. If you have any questions, our support team is happy to talk.
